

A DAY IN HERNE BAY

Enjoy a summers day at Herne Bay a seaside town on the north coast of Kent in South East England. It is 6 miles (10 km) north of Canterbury and 4 miles (6 km) east of Whitstable. It neighbours the ancient villages of Herne and Reculver and is part of the City of Canterbury local government district, although it remains a separate town with countryside between it and Canterbury. Herne Bay's seafront is home to the world's first freestanding purpose-built Clock Tower, built in 1837. From the late Victorian period until 1978, the town had the second-longest pier in the United Kingdom.
